Online Brangus and UltraBlack Herd Sire and Donor Prospect Sale

Video Sale Opens November 1, 2023 at 8:00 am CST

Video Sale Closes November 2, 2023 at 6:30 pm CST

With a Horse Race Finish

Sale hosted by DVAuction and/or Brangusauctions.com

Heifers are located at Grassy Lake Cattle Company south of Marquez, Texas for viewing prior to sale day.

Directions to Grassy Lake Cattle Company

Located south of Marquez, Texas off Highway 79 and west on County Road 434 approximate 1/2 mile. Turn left into the ranch entrance.

Grassy Lake Cattle Company
18527 County Road 434
Marquez, Texas 77865

Yearling Weights and Measures

At sale time these sale cattle will not have their yearling weights and measures taken. Grassy Lake will keep the sale cattle until yearling weights and measures are taken and then buyer can arrange for transportation/pickup. This option is at buyer's discretion.

Retaining Rights To One Embryo Flush

To simplify our female sale we will not retain breeding or embryo interests in any female in this sale. However, if any female goes into embryo production in her future, Grassy Lake Cattle Company will retain the rights on every female in the sale to one conventional embryo collection or IVF oocyte harvest at our expense.

Heifer Breeding Option

Grassy Lake Cattle Company will offer to keep any heifer sold in this sale for a prearranged breeding period to AI to any available Grassy Lake herd sire and then breed said heifer to Grassy Lake natural service sires. If interested in this program please contact Skylar Harris or Tracy Holbert to understand payment terms and details for this Heifer Breeding Option.

Herd Health

All cattle have been inspected for health and fertility by our veterinarian, are current with annual vaccinations and come with interstate health papers.
